## MEET XINOMAVRO ROSÉ

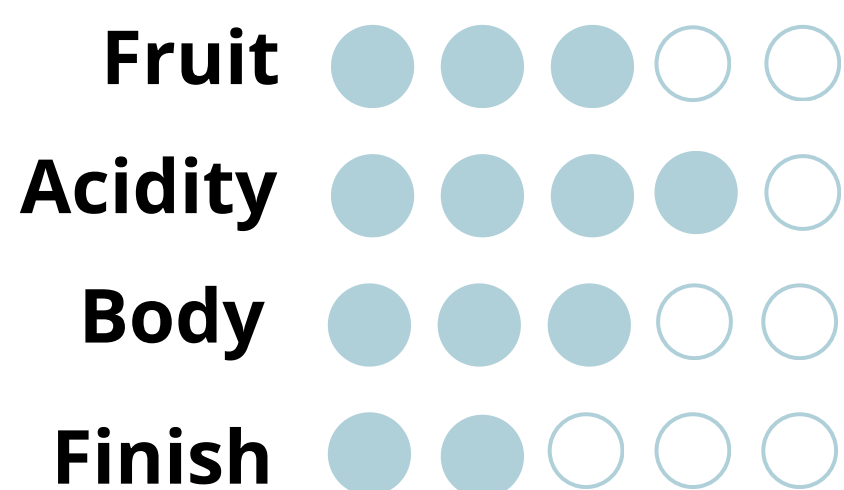

A highly gastronomic rosé made from 100% Xinomavro, with a delicate salmon hue and a sophisticated character. Arktos Xinomavro Rosé comes from vineyards at 700 meters elevation in Xino Nero and Agios Panteleimonas. With a short maceration and five months on the lees, the wine combines freshness, vibrant acidity, and a rich aromatic profile. This is a rosé that goes beyond the glass, crafted to complement and elevate a wide range of dishes. From pizza and pasta to seafood, shellfish, and meats, it brings balance and finesse to every bite, making the experience playful, flavorful, and thoroughly enjoyable
